

## Our Mission

*Greater Hope* exists to offer hope, minister healing and equip people for sexual and relational wholeness through Christ's transforming love.

Our ministry is for those who desire to develop the ability to love others in a Godly manner both physically and emotionally.

We offer this ministry in a safe, confidential, setting led by trained people to effectively understand and address these sensitive issues.

Greater Hope is a Christ-centered Ministry promoting freedom and healing from sexual and relational brokenness. Originally founded in 1995 as Day Seven and re-established in July 1998, Greater Hope operates under the direction of an interdenominational board of directors. The work of Greater Hope is supported entirely by the 501(c) (3) tax-deductible contributions of individuals and churches who share our vision for ministry.

## GREATER HOPE

Ministering  
Christ's Transforming Love  
to the Sexually and  
Relationally Broken

May your unfailing love be with us, Lord, even as we put our hope in you.

~ Psalm 33:22

*"I have been privileged to serve on the board of Greater Hope in its beginning and at various times through the years. In the twenty-two years of ministry I have consistently heard the testimonies and met both men and women who have experienced a transformation in their lives from addictions, exhausting struggles and shame to hope and healing. Greater Hope's dedicated staff, committed supporters and many happy participants have proven that the person of Jesus Christ and the principles of the Bible still are relevant today in bringing Hope and permanent changes to struggling humanity."*

*Jim Delp, retired pastor*

## We Believe That:

...God created man and woman in His image, and our distinctive male and female identities are an essential part of His sacred plan.

...sexuality is a good gift from God.

...God intended all sexual relations to occur only between one man and one woman united in marriage.

...change is possible, but requires a commitment to the process of healing and transformation offered through relationship with Jesus Christ.
