Wall removal provided for large room to accommodate our group

Following are comments from some of the participants in our Path Through the Wilderness group:

"I was met with more than I expected—thank you."

"I'm moving away from legalism to relationship, relying on Jesus to make it through my day."

"Path has given new insight to emotional dependency, true intimacy and to expand my relationship with Jesus. All of my expectations were met."

"Path helped me focus on God and not on the healing."

"I wasn't sure what to expect. God met me in my brokenness and opened my eyes to where he wants to start working."

"Much understanding and healing has happened in my life."

It's been a wonderful but tough class, and I've appreciated digging in deep. I love classes that make me love deep and dig hard."

"It has been a life changing journey and it's not over, even though the class is ending."

Our Mission

Greater Hope exists to offer hope, minister healing, and equip people for sexual and relational wholeness through Christ's transforming love.

Our ministry is for those who desire to develop the ability to love others in a Godly manner both physically and emotionally.

Men's Summer Group

Lies Men Believe exposes the lies that men most commonly believe, and shows you how to combat those lies with the truth. Lies like: *Pleasure and Entertainment Can Truly Satisfy Me, *If I mean well, that's good enough, *If I discipline my children, they'll rebel, *I'm measured by how I compare with other men.

Find out how lies are holding you back from freedom, joy, and intimacy with God and others. Discover the power of the truth. Because once you fully embrace the truth, nothing is ever the same.

Open to new and returning participants
