Banquet Testimonial

by Glenn Monroe

"I do not need to live in the flesh and my sin, but to live in the new creation I have in Jesus Christ!"

Before going to Greater Hope, I was attending different men's groups. God put in my heart, because of the different addictions I struggled with, I needed to trust Him to make changes in my life - and I was to not make excuses to avoid change. Soon, a friend invited me to attend the Men's Group at Greater Hope, who spoke well of the ministry and the changes that impacted his life while attending the group.

I interviewed with Ron Kipps, the men's director at Greater Hope. He encouraged me with the importance of having a passionate relationship with Jesus Christ. If we don't have that relationship with Jesus, we cannot receive our true healing from any addictions. Ron gave us many supplies to work with, including the word of God. A book Ron shared talked about one of the first steps is to learn the word of God. Specifically, to heal, was to memorize Romans, chapters 6, 7 and 8. I have been diligent to memorize this scripture -it has changed my life and continues to do so today.

Banquet Testimonial...cont'd from pg. 1

I remember the promises I have victory in Christ, I don't need to live in the flesh and my sin, but to live in the new creation I have in Jesus Christ! This is not just me saying this to you guys, but saying it because I need to hear this for myself. I have learned to go through the sanctification with Christ, with others and with myself. One of the most powerful things is to know I don't need to live in the flesh because I can do all things through Christ who strengthens me.

Our Mission

Greater Hope exists to offer hope, minister healing, and equip people for sexual and relational wholeness through Christ's transforming love.

Our ministry is for those who desire to develop the ability to love others in a Godly manner both physically and emotionally.

Path Through the Wilderness

An intensive healing 23 week scripturally based approach to difficult topics of intimacy, desire, and gender. Path Through the Wilderness provides a thoughtful and safe place to look at the ways we've become ensnared. Through weekly times of worship, teaching and small group prayer, our program leaders walk with participants in their journey to become more the men or women the Father has created them to be.
